Year of the Bible to Be Observed

This year has been designated as *The Year of the Bible.* At CRBC many have purchased the new Holman *Everyday with Jesus Devotional Bible* to use as a guide to read the Bible through in 2005. Others have pledged to read their translation of the Bible. Why not let God strengthen and deepen your relationship with Him? Read the Bible and, as you do, ask the Lord to reveal Himself and His plans and purposes for your life.

Beginning Wednesday, January 12th, Pastor Mike will begin the Winter Bible Study in the Gospel of Mark.

Would you like to learn how we got our Bible? How did we get all of the different translations? How should we read our Bible to get the most out of it? Dr. Richard Patterson can give us the answers to these questions and more. Express your interest in this study by filling out the form in the bulletin.

Devotional Bible Ready for Distribution

If you ordered the Holman *Every Day with Jesus Devotional Bible*, you may pick it up from Janice Slough in the vestibule before or after services on Sunday. We ask that you please pay ($15 each) before picking up your Bible. This is only for those who reserved Bibles. If you did not reserve a Bible, you may be able to purchase one at LifeWay or Christian Supply.
